a. On March 5, 2018, the Company filed with the National Company Law Tribunal, Mumbai Bench ('NCLT'), a scheme of arrangement and reconstruction among the Company and Hemisphere Properties India Limited ("HPIL") and their respective shareholders and creditors for demerger of surplus land ("Scheme"). By order of the NCLT, a meeting of the shareholders of the Company was held on May 10, 2018, at which the shareholders approved the Scheme. On July 12, 2018, the NCLT approved the Scheme. HPIL, being a 'government company', as defined under Section 2(45) of the Companies Act, 2013, had filed its petition seeking sanction to the Scheme, before the Central Government through the Ministry of Corporate Affairs, New Delhi ("MCA"). The MCA has approved the Scheme through its order dated August 5, 2019 and HPIL has filed the order with the Registrar of Companies, New Delhi. Consequent to the receipt of the approvals of the NCLT and the MCA, to the Scheme, the Board of Directors of the Company fixed September 18, 2019 as the "Record Date" for the Scheme, for determining the shareholders of the Company who shall

be eligible to receive the equity shares of HPIL. The Board of Directors of HPIL, at its meeting held on February 18, 2020, approved the allotment of HPIL's shares to the shareholders of the Company on the Record Date in the ratio of 1 share of HPIL for every share of the Company. The Company has been informed that HPIL has applied to the stock exchanges for listing of its equity shares and is working towards listing of the equity shares allotted.

Accordingly, during the year ended March 31, 2020, the Company has recorded an expense of ₹ 592 lakhs relating to such demerger under exceptional items. Further, the carrying value of surplus land and fixed deposits amounting to ₹ 306 lakhs has been derecognised and the same is adjusted in retained earnings.

- b. As part of its initiative to enhance the long-term efficiency of the business, the Company undertook organisational changes to align to the Company's current and prospective business requirements. These changes involved certain positions in the Company becoming redundant.
- c. During the quarter ended March 31, 2020 the Company made a provision towards licence fees of ₹ 34164 lakhs which includes ₹ 33717 lakhs towards the period covered in the DOT demand (Refer note 5). Further for the quarter ended June 30, 2020, the Company made a provision of ₹ 1049 lakhs towards interest on the unpaid provisions.
- 5. During the quarter ended September 30, 2019, the Company had received demands from Department of Telecommunications (DOT) aggregating to ₹ 663343 lakhs towards License Fee on its Adjusted Gross Revenue (AGR) for the financial years 2006-07 till 2017-18.

The demands received by the Company included an amount of ₹ 543370 lakhs which were disallowed by the DOT towards the cost adjusted to Gross Revenues by the Company that were claimed on 'accrual basis' instead of payment basis, for which revised statements on the basis of actual payment has been submitted to the DOT. Though, the Company believes that it has a case to defend, it has made a provision of ₹ 33717 lakhs during the quarter ended March 31, 2020 and for the balance amount of ₹ 509653 lakhs, the Company believes that the likelihood of the same materializing is remote since the deduction on payment basis has not been considered by the DOT.

With respect to demands for the balance amount of ₹ 119973 lakhs, the Company has existing appeals relating to its ILD & NLD licenses which were filed in the past and are pending at the Hon'ble Supreme Court and Hon'ble Madras High Court and the Company's appeals are not included in the Hon'ble Supreme Court ruling of October 24, 2019 on AGR. Further, the Company believes that all its licenses are different from UASL, which was the subject matter of Supreme Court judgement of October 24, 2019. The Company has responded to the DOT denying and disputing the amounts claimed by the DOT in the above mentioned demands. The Company has not received any response from the DOT after the submission. The Company believes that it will be able to defend its position and also has obtained a legal opinion in this regard. Accordingly, the Company has assessed the balance demand of ₹ 119973 lakhs as part of contingent liability.

- 6. The Company has exercised the option of lower tax rate of 25.17% (inclusive of surcharge and cess) permitted under Section 115 BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Act, 2019. - 7. The outbreak of Coronavirus (Covid-19) pandemic globally and in India has caused and continues to cause significant disturbance and slowdown of economic activity. The Company has considered internal and external information while finalizing various estimates in relation to its financial statement up to the date of approval of the financial statements by the Board of Directors. The impact of Covid-19 on the standalone financial results may differ from that estimated as at the date of approval of the standalone financial results. The Company will continue to closely monitor any changes in future economic conditions and assess its impact on the operations.
- 8. Previous periods' figures have been reclassified wherever necessary to conform to the current period classifications/disclosures.

The demands received by the Company included an amount of ₹ 543370 lakhs which were disallowed by the DOT towards the cost adjusted to Gross Revenues by the Company that were claimed on 'accrual basis' instead of payment basis, for which revised statements on the basis of actual payment has been submitted to the DOT. Though, the Company believes that it has a case to defend, it has made a provision of ₹ 33717 lakhs during the quarter ended March 31, 2020 and for the balance amount of ₹ 509653 lakhs, the Company believes that the likelihood of the same materializing is remote since the deduction on payment basis has not been considered by the DOT.

With respect to demands for the balance amount of ₹ 119973 lakhs, the Company has existing appeals relating to its ILD & NLD licenses which were filed in the past and are pending at the Hon'ble Supreme Court and Hon'ble Madras High Court and the Company's appeals are not included in the Hon'ble Supreme Court ruling of October 24, 2019 on AGR. Further, the Company believes that all its licenses are different from UASL, which was the subject matter of Supreme Court judgement of October 24, 2019. The Company has responded to the DOT denying and disputing the amounts claimed by the DOT in the abovementioned demands. The Company has not received any response from the DOT after the submission. The Company believes that it will be able to defend its position and also has obtained a legal opinion in this regard. Accordingly, the Company has assessed the balance demand of ₹ 119973 lakhs as part of contingent liability.

- 5. During the quarter ended September 30, 2019, a subsidiary domiciled abroad, has received a final VAT assessment from VAT authorities for ₹ 13120 lakhs, during the quarter ended December 31, 2019 a final penalty assessment of ₹ 15320 lakhs was also received. Subsequent to the quarter ended June 30, 2020 the Group has filed its grounds for appeal with the Economic Administrative Court towards the final VAT and penalty assessment which is currently pending for hearing. The management believes that there are grounds to defend its position and has also obtained an external opinion in this regards.
- 6. The Company and its Indian subsidiaries have exercised the option of lower tax rate of 25.17% (inclusive of surcharge and cess) permitted under Section 115 BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Act, 2019. Accordingly, the Deferred Tax Assets (net) as at March 31, 2019 have been re-measured. Consequently, tax expense for year ended March 31, 2020 includes a charge of ₹ 7322 lakhs.
- 7. During the quarter ended March 31, 2020 the Group has aligned useful life of certain upgrades to the property, plant and equipment with the useful life of the respective base assets and has recorded an additional depreciation charge of ₹ 2793 lakbs
- 8. The outbreak of Coronavirus (Covid-19) pandemic globally and in India has caused and continues to cause significant disturbance and slowdown of economic activity. The Group has considered internal and external information while finalizing various estimates in relation to its financial statement up to the date of approval of the financial statements by the Board of Directors. The impact of Covid-19 on the consolidated financial results may differ from that estimated as at the date of approval of the consolidated financial results. The Group will continue to closely monitor any changes in future economic conditions and assess its impact on the operations.
- 9. Previous periods' figures have been rearranged wherever necessary to conform to the current period classifications/disclosures.

Review Report to
The Board of Directors
Tata Communications Limited

- We have reviewed the accompanying statement of Unaudited Standalone Ind AS Financial Results of Tata Communications Limited (the 'Company') for the quarter ended June 30, 2020 (the 'Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Listing Regulations').
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express and audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Of this amount, the Company during previous financial year had made provision of Rs 33,717 lakhs with respect to the demand of Rs 543,370 lakhs and recorded Rs 1,049 lakhs towards interest on the unpaid amount of provision for the current quarter, and believes that the likelihood of the balance demand materialising is remote. Further, with respect to the demand of Rs 119,973 lakhs, the Company has assessed the same as part of contingent liability.
