TATA COMMUNICATIONS

TATA

THE WORKPLACE OF THE FUTURE WILL BE DEFINED BY YOUR EMPLOYEES AND THE TECHNOLOGY YOU EMPOWER THEM WITH.

65%

of the workforce is expected to follow a partially hybrid remote model

45%

of the workforce will be in remote working model

62%

falling victim to IP-based attacks like robocalling and toll fraud

85%

of companies feel their unified communications provider should be responsible for protecting them from performance issues and provide better managed service

BUT REMEMBER
WHEN IT COMES TO COMMUNICATION AND COLLABORATION TOOLS:

1. Less is more
2. The cloud is the future

EASIER SAID THAN DONE
