(The tariff shown above is excluding service tax as applicable)

Note: 1 The distance referred to, above is "Chargeable Distance" i.e. equal to 1.25 times of the radial distance between the two points connected.

Note: 2 The tariff of 2 Mbps, 45 Mbps, 155 Mbps, 622 Mbps and 2.5 Gbps mentioned above are for distance slabs as mentioned in the table above. For distance lying in between the distance mentioned above the tariff shall be charged on pro rata basis.

Note: 3 The above tariff would be applicable for offering a SLA uptime guarantee of up to 99.5% per month uptime.

Note: 4 Any additional third party charges incurred and applicable will be charged over and above the tariff mentioned above.

Note: 5 Additional protection provisioning charges for higher SLA uptime i.e. protection through second ring and/or third ring mesh network will be charged extra.

Note 6: CPE Rental charges_would be extra.

Additional protection provisioning Charges may be waived for:

1. Wholesale customers like Carriers, ISPs etc.
2. Customer who is availing any of the services of TATA COMMUNICATIONS LTD.

Installation and Testing charges

Bandwidth Slabs	Installation & Testing Charges
2 Mbps (E1) to 622 Mbps (STM-4)	INR 50,000/-
Above 622 Mbps (STM-4)	INR 100,000/-

The installation and Testing charges may be waived for

1. Customer taking NPLC as an extension of other international access services of TATA COMMUNICATIONS LTD. viz. IPLC, International VPN and MDNS services (MPLS with partner carriers), etc.
